To the Hon. John A. Kelly Judge of the Circuit
Court of Lee County in chancery sitting

Humbley complaining your orator
William Ball, would respectfully show to your
Honor that he is the creditor of one Peter H.
Rowland late of said county now deceased
for this to wit that the said Peter H. Rowland in his
lifetime to wit on the 15th day of October 1861. being
indebted to your orator executed to him his note
under seal for the sum of one hundred and one
dollars and 93 cents. That on the 24th day of March
1870 the said Rowland paid to your orator on said
note the sum of ninety dollars. Your orator fur-
ther represents to your Honor that the balance
of said note with its accumulated interest is still
due and owing to him amounting now to about
\$100 or \$95.50 said note is filed herewith as
part hereof marked Exhibit (A)

Your orator will further show your Honor that
late to wit on the day of 1877
the said Peter H. Rowland departed this life
intestate and that letters of administration
on his estate were duly granted by the County
Court of said county to Thomas S. Kelly Sheriff
of said county which will more fully and at length
appear by reference to the orders of said court now
remaining of record in the Clerk's office of
said county of which will if disputed or required
necessary be filed herewith as part hereof marked (B)

Your orator will further represent that said Ely Administrator as aforesaid took possession of the personal estate of the said decedent but that personal estate was small and inconsiderable and wholly insufficient to pay the debts of said decedent, in fact but little more than sufficient to pay funeral expenses and charges of Administration. said personal estate as your orator is informed by said Administrator amounted in the aggregate to less than \$500.

Your orator further represents that said decedent was in his lifetime seized and possessed of a small tract of land situated in said County some twenty five or thirty miles west of the Court house, which descended to his children and heirs at law eleven in number. To wit - Elizabeth who intermarried with Jonathan Pridemore. Powhatan B² Rolan now deceased but who left the following children his heirs at law to wit Hulda Elizabeth who intermarried with Sterling Moore Amanda Jane who intermarried with Sidney Moore Emily who intermarried with George Phillips and Clara Ann. who intermarried with James J. Hunt, Abigail³ who intermarried with Hiram Green Michael B⁴ Rowland Daniel Rowland Henry⁶ who intermarried with Washington Green Ruth⁷ who intermarried with Jefferson Jackson Peter H⁸ Rowland Jun. now deceased but who left the following children his heirs at law to wit

Charles Rowland and Sallie Rowland both of whom
are infants Samuel Rowland ⁹ Cecelia ¹⁰ who intermarries
with Calaway Wilson and John Rowland.
Your orator who sues for the benefit of himself
and all other creditors of the said Peter H Rowland
deceased would represent to your honor that he
is without adequate remedy at common law
and recoverable only in a court of Equity. The
object of his bill is to settle the administration
account of Thomas S Ely Administrator of said Peter
H Rowland concern the creditors and subject
the lands or so much thereof as is necessary for
which the said decedent did sign to the pay-
ment of his debts, to this end he makes Thomas
S Ely Administrator of said decedent's estate
Josiah Moore and Elizabeth his wife
formerly Elizabeth Rowland Sterling Moore and
Hulda Elizabeth his wife Sidney Moore and da-
da James his wife George Phillips and Emily
his wife James J Stuck and Clara Ann his
wife Hiram Green and Abigail his wife Hei-
shael B Rowland Daniel Rowland Washington
Green and Mary his wife Jefferson Jackson
and Ruth his wife Charles Rowland Sallie Rowland
Samuel Rowland Calaway Wilson and Cecelia his
wife and John Rowland parties defendant to
this bill and his prayer therefore is that each
of the adult defendants be required to answer
the several allegations of this bill on oath; That in

To the Honorable John A. Kelly, Judge of the
Circuit Court of Lee County Virginia,
The answer of Charles Rowland and Sallie
Rowland, infant children of Peter H. Rowland
deceased, by R. H. Orr Jr. to a bill in Chancery
filed in your Honor's Court by Jm Ball
against these wards & others; for answer your
respondent says, that he knows nothing about
the truth or falsity of the allegations in
Plaintiff's bill, and is advised of no defense
proper for him to make, as their guardian, in
the said suit; but this Court is a Court of
equity, and such Courts being the peculiar
Guardians of the rights and interests of
infants, your respondent begs leave
to place the rights and interests of his
said wards, into the hands of your
Honor, knowing that they will be
there protected.

Thomas S Ely adm. & others, Dfts

In Chancery

To the Hon John A. Kelly Judge of the Circuit
Court of Lee County.

With the notice shown by the paper herewith
filed marked (A) I proceeded on this day to
perform the several duties referred to me by a
decree entered in this cause on the 3rd day of April
1878 and with reference to the manner in which
I have discharged these duties and the facts relating
thereto the following remarks are submitted.

Peter H Garland whose estate we are now to
consider departed this life intestate sometime
during the year 1877. but the time is not known
to me. After three months had elapsed from
the time of his death, his estate was committed
by the County Court of Lee County to Thomas S Ely
high Sheriff thereof for administration (no person
entitled thereto having applied for such administration)

The adm^t informs me that he caused what little
personal estate belonging to his intestate he could find
to be appraised, but I have not been able to find
such appraisements

On the 13th day of Nov. 1877. the adm^t sold
this little property on a credit of 12 months, when
the property so sold brought the sum of \$69.20
as will be seen by the Original Sale bill here filed (B)

The notes taken by the admr. for these small sales will not become due and payable until the 15th of Nov. 1878. And these sales will constitute the personal assets of this estate so far as I know.

Mr. Elly informs ^{me} that as yet, he has not received anything due the estate, and consequently all that I can now do is to charge him with his sale bill as of Nov. the 16th 1878 and give him credit for his commission, and thereby show the assets in his hands, which may be applied to the payment of outstanding debts. And that I have now done and file herewith ~~for~~ the same marked (C) by which it will be seen that there will be in his hands on the 16th of Nov. 1878. The sum of \$62.28

By way of showing the outstanding debts against ~~this~~ estate, which have been ascertained and established as such, I now file herewith a Tabular Statement thereof marked (D), which shows each individual debt, the original amount thereof, the credits on each, the amount due on each, on the first day of September 1878. The name of each creditor and the aggregate amount of all the debts.

The first claim therein, is for the balance due the Jeff-Ball on account of the note on which this suit was brought, and made exhibit A. by the Jeff with his bill, and the balance due thereon calculated to Sept 1st 1878 is \$95.60 and with said note is filed Mr. Ball's affidavit.

The claim marked (B) is for a note executed by

P. H. Rowland to J. M. Cook & Miles now deceased.
M. Cook as Survivor of himself and said Miles
and there is due thereon calculated as aforesaid
the sum of \$31.09 and with said note may be
seen the affidavit of said Cook in relation thereto.

The claim marked (C) in the margin is
for a note by Rowland to Nathaniel Ewing deceased
now due to H. L. J. Richmond his administrator
and there is due thereon \$19.68 and with said
note may be seen the affidavit of said Richmond.

The claim marked (D) is for the small
balance of a note of \$15.40 credited by \$15.00 executed
by said Rowland to H. L. J. Richmond & Co and now
due said Richmond as the survivor of that firm
and with the note you will see the affidavit of
said Richmond attached thereto.

The claim marked (E) is for the balance of a
note executed by P. H. Rowland to R. M. Bales & Co and
transferred by them to Archelaus Bales for \$31.20 Subject
to three credits amounting to \$35.00 but while these
credits amount to this sum, it only a little more
than pays the interest which has accrued thereon,
for there is yet a balance due on said note of
\$30.91 and with said note may be seen the affidavit
of said A. Bales.

The claim marked (F) is for a note by said
Rowland to J. S. Willis now deceased executed the 16 of
Sept 1850 for \$3.00 due one day after date and there
is now due thereon \$8.03 calculated to Sept 1 1878.

and attached to said note may be seen the affidavits of D. C. Willis who is the owner of said J. L. Willis

This Suit was brought the 24th of January 1878 and as the right of action accrued to J. L. Willis on the 17th of Sept 1850. it follows that the Statute of limitations commenced to run against this note from the 17th of Sept 1850 and continued so to run untill the 17th of April 1861. when it was suspended by the Legislature and thus remained untill January 1-1869 when the Statute of limitation again commenced to run against this note, and so continued untill arrested by this Suit.

Now let us see, from Sept 17th 1850. to April 17th 1861. is 10 years and 7 months, and from Jan 1-1869. to January 24th 1878 is 9 years and 24 days, let now add these two periods together and we have 19 years 7 months and 24 days as the time during which the Statute of limitations has been running against this note, but as the note now under consideration is a sealed instrument, it would require 20 years to bar it, and as it wants 4 months and 6 days of that time it is still in force and hence I have reported it as a debt altho nearly barred, ~~after~~ counting out the time from April 17 1861 to January 1-1869

The claim marked (G) is the balance due on an \$8.00 note given in March 1854 by P. H. Rowland to Thomas J. Brown, and by the latter

Rowland to Thomas J. Brown, and by the latter

5

transferred to James M. Pugh to whom there is a balance due thereon of \$17.24 calculated as aforesaid, after deducting a credit of \$2.50 paid June 1-1876, and with said note may be seen the affidavits of said Jas. M. Pugh.

The claim marked (H.) is for an account due Dr. James H. S. Morison of \$7.00 against the estate of said Rowland. There is no proof to sustain this account save the affidavits of said Morison, attached thereto. The account seems to be for Medical Services rendered by the Dr. to said Rowland during his last sickness, and Mr. Ely the adm^r seems to think the claim just and that the heirs so recognise it, I have therefore allowed it ^{as} a charge against the estate with interest after Sept. 1-1878.

The claim marked (I) is the balance due on a note executed by C. H. Rowland & Michael Rowland to Amos Smiley adm^r of Jeremiah Corriga and by the latter transferred to Thomas J. Brown to whom the said balance is due.

The note was originally for \$27.00 and became due and payable June 28 1860. and since that time two payments have been made thereon amounting to \$30.00. But there is still due thereon the sum of \$17.73 and with said note may be seen the affidavits of said Brown.

The note it will be observed is a joint one & while that is so, still I have no doubt, but that

P. H. Rowland is the principal therein and ought to be required to pay the note and I have suggested the matter with the view of making his estate pay it. And these are all the claims which I have thus far allowed as charges against the estate, and are all that I think that should be allowed so far as any proof of debt is concerned.

Several years ago the late firm of F. M. Ely & Co. obtained a judgment against said Rowland, and sundry executions have been issued thereon, and sundry payments made thereon by Rowland, and so far as the credits are shown it would seem that there was still a balance due on said judgment, but I cannot tell how the matter may be, I think the parties interested ought to have shown how this matter really stands, and I gave Mr. John M. Cook who is interested in it, notice of this my proceeding and called his attention to this particular judgment.

Owing to the fact that this judgment has been standing on the records of the County for the last 10 or 12 years, and sundry executions issued thereon, sundry payments made, and Rowland being good. It seemed to me to be a little strange that the debt had not been made, and it occurred to me that under all these circumstances I ought before allowing any thing on account thereof to require the parties interested to show that there was in fact a balance due them, and that fact not being shown I declined to make any allowance on account thereof. for the present.

account thereof. for the present.

Mr R. M. Bales produced before me a note bearing date September the 29th 1849, due one day after date for \$7.38 Executed by P. H. Standland to Bales Tyler & Co. to which note is appended the affidavit of said R. M. Bales which seems to be full and complete, and the said note and affidavit is herewith filed marked (E)

This note or bond is a sealed instrument but notwithstanding it is such, I am forced to disallow the same because it is barred by lapse of time, and I regret leaving thus to act, since I required Mr Bales to take upon himself the trouble of making the affidavit, but I did this, before I made an actual count of the time that had elapsed since its execution. In this case the right of action accrued to Bales Tyler & Co. on the 30th of Sept 1849 and from that time until the 17th of April 1861 the statute of limitations was running as against this note, and during that period 11 years 6 months and 17 days had passed. From the 17th of April 1861, to the 1st day of January 1869 the statute of limitations was suspended by the Legislature, but after that time, and until the bringing of this suit, on the 24th day of January 1878 the statute of limitations was again running as against this debt, From January 1st 1869 to January the 24th 1878, is 9 years & 24 days.

Now let us add together the two periods during which the Statute of limitations was running as against this debt. and we will have 20 years. 7 Months and 10 days, so that at the time this Suit was brought the note or bond now under consideration had been barred 7 months and 9 days.

Mr Balus has written me a letter with reference to this question which I now herewith file marked (F) in which he takes the position, that the death of said Rawland had the effect to correct the statute of limitations as to this particular debt, at least until there was an administrator of his estate. I do not however coincide with him in that view of the case. I believe it is a general rule that when the Statute begins to run, it keeps on without interruption unless arrested by Statute, or the bringing of a Suit to recover the debt, or assert a right, but if I am mistaken in the law you will correct my action in the matter.

A Man by the name of Claud also produced another note before one dated on the same of the one I have just disposed of executed by said Rawland to perhaps R. M. Balus & Co. or Balus & Co. but I declined to allow it for the same reasons as those already stated and he took said note home with him so that I cannot now file it.

The debts allowed by me and herein ad-
mitted to at length, amounts in the aggregate
when calculated down to Sept 1 1878 to \$231.05
And we have already seen that there will be
in the hands of the adm^r. Ely on the 16 of Nov.
1878 the sum of \$62.28. which may be applied
to said debts, but when that is done it will
still leave \$168.77 to be raised by the sale
of some of said Rowlands lands.

The land books of the county show that
Peter H. Rowlands estate is only charged
with about 80 acres of land. This land is
about 25 miles West of Jonesville and lies
on the North Side of the Pot Valley ridge, in
the Pot Valley, and on the South Side of
Cumberland Mountain.

I now file herewith an affidavit of David
C. Willis marked (G.) taken with the view
of showing the annual rental value of said
land. And Mr Willis opinion is that it is
reasonably worth \$75.00 per year and if
his estimate thereof is correct, the rents &
profits of said land would pay the balance
of these debts in about 3 years including the
the costs of this suit.

I am informed that there is now
pending in your courts a suit brought
for the purpose of having these lands
partitioned among the heirs of Rowland.

Would it not be well enough to have the
proceedings in that cause stayed until
the debts are in some way settled.

I have now reported on all the matters
referred to me by the decree under which
I am acting.

All which is respectfully Submitted.

In Chancery.

To the Hon. John A. Kelly Judge of the Circuit Court of Lee County Va.

About the year 1878 I took an account in this cause of the outstanding debts against the estate of Peter H. Rowland decd. And since that time his real estate has been rented out from time to time to pay the debts so reported by me.

At the time of taking that account Ben A. M. Bland produced an account before me for medical attention to said Rowland during his last sickness amounting to some \$8.00 or \$10.00 I find in looking over my report made at the time that I no where refer to said claim I did not allow it nor do I speak of it in any way and I now have no recollection of why I did not take some action in reference to it! but I do recollect that he presented at the time such a claim.

Mr Bland has recently called my attention to this omission, and has re-produced his account against the estate and desired me to report his claim against the estate and I accordingly here report his claim of \$8.00 and file herewith his acct marked (A B)

Dear Sir

I learnt from B. F. Claws
that you considered my Raw land note had
run out of date I know you have done what
you think is right is it possible that the limitation
would run from the time of the death of Peter St.
Rawlands until there was an administrative appointment
it seems to me that it would not Who would
sue be brought against. Again from the time
sue was brought to take the indebtedness of
said estate would the limitation still run it
seems to me that it would not I merely call
your attention to this some times a man will take the
